IMPORTANT NOTICE!

D/C: Delivery Codes Against Backorders

Items shown in this list are generally available from stock. However, when backorders occur they are normally shipped according to the schedule indicated in the Delivery Code (D/C) column. The key to these codes is indicated below. Delivery times indicated are ARO (after receipt of order at our warehouse) until shipped from our dock. Always contact your Motorola representative if delivery is critical.

A = Parts usually in transit to our warehouse when backorders occur.
B = Up to 2 weeks.
C = Up to 6 weeks.
D = Up to 8 weeks.
Blank = Delivery time undetermined at date of printing.
X = Drop ship item. We will process order within 3 days ARO. Please contact your Motorola representative for specific delivery date.
T = Test Equipment. Stock to 6 weeks for most items. For major items, such as service monitors, as quoted.
S = Crystal Service Item.

Unlisted Items

Items not listed in this book are *not* normally stocked due to infrequent demand. Typical shipping cycles for these items are as follows:

Parts used in current production	3-4 weeks
Kits and assemblies used in current production	6-10 weeks
Parts not used in current production	8-16 weeks
Kits and assemblies not used in current production	12-20 weeks
Microwave kits and assemblies	as quoted
Sp items (sp prefix or suffix to part numbers)	as quoted
Test Equipment	as quoted

Units of Measure and Pre-Packaging

It is important that the unit of measure is specified. The following legend gives you an overview of our types used. These units can be found next to the price in the Price and Availability List. For example, to order 15 units of part number PK/5 #04-84506K01 (which is supplied in packs of 5), simply write "#3 packs of 04-84506K01."

Legend:
EA = Each
FT = Foot
GA = Gallon
IN = Inch
LB = Pound
OU = Ounce
PK/* = Pack
QT = Quart

*number following letters indicates quantity per pack.

ORDERING INFORMATION (cont'd.)

Replacement Parts Availability

Replacement parts/crystals for user equipment, i.e. mobiles, portables, pagers, etc., are normally available for seven years after cancellation of the product. For base/fixed infrastructure equipment, this period is ten years.

Motorola is not responsible for supplying replacement parts for equipment not manufactured by Motorola. Every effort will be made to supply replacement items for Motorola-manufactured products if originals are not available, and we reserve the right to supply either assemblies or piece parts.

TERMS AND CONDITIONS

Confirming Orders

Confirming orders should be clearly marked "confirming". Motorola is not responsible for duplicate shipments not marked "confirming". If confirming order differs from original order, the original order takes precedence.

Prices and Taxes

Parts prices are located in the Price and Availability List, and are subject to change without notice. Orders will be charged at prices in effect the day an order is entered. In the event of a price change, prior to the receipt of the order, Customers will be billed at the new prices.

Quoted or contract prices always supersede current prices, providing the validity of the quotation or the contract has not expired. Customers will be invoiced upon shipment. Prices do not include State,

TERMS AND CONDITIONS

Prices and Taxes (cont'd.)

Local, and other applicable taxes. Customers must provide an executed resale exemption certificate, as required by state tax authorities. Customers are required to pay Motorola any applicable sales, retailer's occupation, or use tax.

SHIPPING

Motorola will ship in accordance to customer's request. Motorola will ship complete orders in most instances, but reserves the right to ship partial orders for out-of-stock or long lead time items. Shipping and handling charges shall be paid by Customer. Parts are sold "F.O.B. Schaumburg, Illinois."

All shipments will be routed via Parcel Post or United Parcel Service depending on weight and size, or by motor truck. S.O.S. Emergency shipments will be routed by air or fastest method.

Motorola has no obligation to ship parts if Customer has ceased conducting its normal business, made a general assignment for the benefit of creditors, admitted in writing its inability to pay its debts as they mature, suffered or permitted the appointment of a receiver for its business or assets or availed itself of, or become subject to, any authority relating to insolvency or the protection of rights of creditors.

PAYMENT

For Customers with established credit and open accounts with Motorola, payment shall be due and payable within ten (10) days of invoice date. For Customers without established credit with Motorola, payment shall be on a Cash on Delivery or Cash with Order basis. Cash on Delivery orders will include a handling charge.

WARRANTIES

1. Replacement Parts/Test Equipment

Motorola-manufactured parts are warranted against defects in material and workmanship under normal use and maintenance for a period of one (1) year from the date of shipment.

domestic orders

WARRANTIES

1. Replacement Parts/Test Equipment (cont'd.)

In the event of a defect during the applicable warranty period, Motorola, at its option, will either repair or replace the Motorola-manufactured part free of charge or refund the purchase price, and such action shall be the full extent of Motorola's liability under this warranty.

All warranty service will be performed at a Motorola-designated service center. Labor charges are excluded from this warranty. Customer must pay labor charges incurred in repairing or replacing parts at Motorola's prevailing rates, together with any travel costs of Motorola-authorized personnel or transportation charges for the item to and from the place where warranty service is provided.

2. Crystal Service Items

Motorola crystals, channel elements, high stability oscillators and crystal filters, manufactured after July 1, 1979, are warranted to conform to Motorola's applicable factory frequency, activity and output specifications under normal use and maintenance for a period of ten (10) years from the date of shipment.

Reference oscillators used for frequency synthesis, EMRs (reeds), active filters, piezo-ceramics, memory modules and code plugs are warranted to conform to the applicable factory specifications under normal use and maintenance for a period of one (1) year from the date of shipment.

In the event of a defect during the applicable warranty period, Motorola, at its option, will either repair or replace (but not install) the Motorola-manufactured item free of charge or refund the purchase price, and such action shall be the full extent of Motorola's liability under this warranty. Any claim for breach of this warranty shall be waived unless it is delivered to Motorola within forty-five (45) days of the day the defect was discovered or should have been discovered by reasonable inspection.

3. Exclusions

THESE WARRANTIES DO NOT COVER:

a. Defects or damage resulting from use of the product in other than its normal and customary manner.

b. Defects or damage resulting from misuse, accident or neglect.

c. Defects or damage resulting from improper testing, operation, maintenance, installation, alteration, modification or adjustment.

WARRANTIES

3. Exclusions (cont'd.)

d. Products disassembled or repaired in such a manner as to adversely affect performance or prevent adequate inspection and testing to verify any warranty claim.

e. Sealed-type products if the seals are broken when returned.

f. Memory modules not programmed by Motorola, Inc. Communications Parts Division.

g. Equipment not manufactured by Motorola unless bearing a Motorola alpha-numeric part number (e.g. TDE6030B); however, such equipment may be subject to a warranty provided by its original manufacturer, a copy of which will be provided to Customer on written request.

h. Warranty claims not made within the applicable warranty period.

4. Modifications

Motorola assumes no obligation or liability for any addition or modification to these warranties unless made in writing and signed by an officer of Motorola.

5. These express warranties are extended by Motorola, Inc., 1301 East Algonquin Road, Schaumburg, Illinois 60196 only to the original purchaser, are applicable only to commercial, industrial or governmental use, and are valid only in the United States of America. Any cause of action or breach of these express warranties shall be brought within one (1) year from the date the alleged breach was discovered or should have been discovered, whichever is earlier.

6. THESE EXPRESS WARRANTIES ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, ALL OF WHICH ARE SPECIFICALLY EXCLUDED INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL MOTOROLA BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, EVEN IF MOTOROLA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), PATENT, OR OTHERWISE. IN THE EVENT THAT SUCH DAMAGES CANNOT BE DISCLAIMED UNDER APPLICABLE LAW, MOTOROLA SHALL HAVE THE FULL BENEFIT OF ANY LIMITATIONS PERMITTED UNDER SUCH LAW.

HOW TO OBTAIN WARRANTY SERVICE

1. Replacement Parts/Test Equipment

To obtain warranty service on parts or test equipment, call 1-800-422-4210 (1-800-826-1913 for federal government) or call the closest Motorola-authorized service center.

2. Crystal Service Items

To obtain service on Crystal Service Items, the item must be delivered, transportation prepaid, to Motorola Inc. Communications Parts Division, Attn: Return Goods, 1313 E. Algonquin Road, Schaumburg, Illinois 60196. Each shipment of returned items must include a Motorola Component Products Return Order Form, with each item being returned listed by quantity, type, frequency or code, defect code, radio model number and serial number (when returning items removed from a Motorola radio) and factory order number. Items returned with no manufacturer's date code will be assumed to be out of warranty and subject to charges for repair or replacement.

In the event that a replacement is ordered prior to the return of the defective product, credit for the defective product will be issued against the replacement order provided that the defective units covered by this warranty are returned within forty-five (45) days of the replacement order date and the replacement factory order number is properly provided. After 45 days, Motorola's sole obligation is limited to replacement of the defective unit covered by this warranty with a unit that meets original factory specifications, and credit cannot be issued.

RETURNS

Any order discrepancy must be brought to our attention within ten (10) days of shipment. Our verbal authorization number must be acquired prior to return of any material.

With the exception of overshipments, all returns are subject to a restocking fee. The restocking fee is 20% for Motorola-manufactured products, but may vary for dropship items. Merchandise can be returned up to six (6) months after shipment provided that the Quality Control Department of Motorola's Communications Parts Division has determined that the goods are in resaleable condition. Returns should be shipped to Motorola Inc., Communications Parts Division, 1313 E. Algonquin Road, Schaumburg, Illinois 60196, Attn: Return Goods.

Returned goods credits will be issued against Mastercard/Visa card number if used on original order. Motorola is not responsible for credit limits and bank service/interest fees charged on the unpaid balance of any credit card account.

TEST EQUIPMENT SERVICE

1. Required Documentation

Form ERA (Equipment Return Authorization) must be obtained before any test equipment is returned for calibration or repairs. Test equipment received without this form will not be accepted. Contact the service depot nearest you:

PREVAILING TERMS & CONDITIONS

The foregoing terms and conditions prevail over any other customer terms and conditions unless specific changes are approved in writing by Motorola Inc., Communications Parts Division prior to order acceptance.

Parts Numbering System

In the Motorla parts numbering system, the first one or two digits of the part number relates the part to a particular category. These "category" or prefix digits always appear before the first digit of the part number.

With this numbering system, it is also convenient to identify a "family" of parts by the part number. For example, part number 48-82466H identifies a series of silicon diodes. They are identical in shape physically, but differ in electrical ratings. A suffix is added to the part number to denote different electrical ratings. For Example:

PREFIX	BODY	SUFFIX	RATINGS
48C	82466H	12	100 volt
48C	82466H	13	200 volt
48C	82466H	14	300 volt
48C	82466H	15	400 volt
48C	82466H	16	500 volt

NOTE: The letter following the prefix, such as the "C" in the example, 48C82466H, is for internal use only and is not used in this price list. IT IS EXTREMELY IMPORTANT, however, that all other digits and letters (prefix, body, and suffix) be included when ordering parts. A part number lacking either prefix or suffix or with the omission of any digit or letter, except for prefix letters, will delay the processing and prompt shipment of your order.

COPY THE COMPLETE NUMBER EXACTLY AS IT APPEARS IN THIS PRICE LIST.

Quantity Discounts

Lower Prices for Quantity Purchases

For your ordering convenience, quantity discounts are now available on antennas, batteries, replacement parts and other selected items. The quantity discount program automatically guarantees you our lowest prices for your quantity purchases. You will qualify for quantity discounts without any forms to fill in, letters to write, or phone calls to make. The only criteria is to order quantities at or above the specific breakpoints indicated in the price book.

Quantity Discounts are another example of Motorola's continuing effort to provide you quality products at the best possible prices.

BATTERIES . . . Our quantity discounts on batteries are highlighted on pages and for your convenience. Please note that your discount starts at quantities as low as ten batteries.

CRYSTAL SERVICE ITEMS (CSI) . . . To qualify for quantity discounts over 25 pieces on the same frequency and part number, call our Bid and Quote Dept., 1-800-323-1570.

MOUNTING SYSTEM . . . Mobile telephone mounting is now easier than ever before with our Mobile Telephone Mounting System. Page and is a handy reference which you may use to "mix and match" mounting components and determine your discount pricing.

OTHER PRODUCTS . . . Many of our most popular items are now available at low quantity discount pricing. Discounts are available on many of the following products . . .

ANTENNAS
SEMICONDUCTORS
SCREWS
DRILL BITS
TERMINALS
POTENTIOMETERS
CONNECTORS
TIE WRAPS
BULBS & FUSES
SPEAKERS
COIL CORDS & CABLE
CAPACITORS

AND . . . MANY, MANY MORE

Your discounts for quantity purchases are clearly shown in this price book. Simply look up the part number you wish to order, and if a discount is offered for quantity purchases your price will be clearly identified as follows:

PROGRAMMED CODE PLUGS FOR MOTOROLA PAGERS

Programmed code plugs for Motorola pagers are available through Motorola Inc., Communications Parts Division. Code, frequency, and option information will be required when placing your order through your Motorola representative. Please be accurate as the order department will not be responsible for incorrect inputs.

For greater cost savings, blank code plugs and memory modules can be programmed in the field using the R-1800 Digital Analyzer Controller.

The transmission line shown above is available only in multiples of 10 feet. Kits include jumper cables for tying the transmission line to the base station and antenna. 25-174 MHz, 406-470 MHz, 806-866 MHz and IMTS Kits contain 8 foot jumper cables. ⅞″ transmission line kits contain 6 feet of jumper cable for antenna tie-in. ½″ foam transmission lines do not include jumper cables to the antenna. Kits also include binding material, silicone grease, vinyl tape and base station jumper mounting hardware. Connectors are attached to line at factory unless otherwise specified. Standard tools can be used to complete the installation.

MODULE EXCHANGE PROGRAMS

To obtain the exchange price you must forward defective modules to * Motorola Communications Parts Division along with a *separate* order for replacement modules. Please note on your order that modules are being returned to obtain exchange prices. For expeditious order processing do not include other items on a module order requesting exchange prices. Exchange prices cannot be honored unless the defective modules are in the possession of Motorola Communications Parts Division at the time the order is processed. Standard price will be billed on any order not accompanied by defective exchange modules. There is no equal and offsetting credit program. Do not include out-of-warranty modules with in-warranty modules.

This exchange program is applicable to domestic based customers only.

Note that prices indicated are subject to change and the exchange program may be cancelled at any time without prior notice.

Please contact your Motorola Communications Parts Division if you have any questions pertaining to parts or kits included on the following lists.

NOTES

NOTE 1: This reed is no longer in our current production program. Replacements may have been refurbished. The current full Motorola warranty applies.

NOTE 2: Obsolete Products. Limited stock may be available, contact the Sales Department for delivery information.

NOTE 3: The NFN6008, NLN8503, and KLN6239 Active Filters in the audible range may be replaced by the smaller NLN7834A. The smaller version is fully pin compatible with older types. A rubber boot will be supplied to compensate for the smaller size, and to prevent undue stress. The NLN7834A is not available in the sub-audible ranges and therefore the larger filter will be supplied for these frequencies. Units that qualify for the Active Filter Trade-in Program will be priced at $24.00 (User). Servicing customers will receive their normal discounts.

NOTE 4: Proms for Syntor Trunking are supplied by the Area Sales Office.

NOTE 5: Reference Oscillators are warrantied for a period of one (1) year.

NOTE 6: Proms and Code Plugs not supplied by Components Division. Contact your Communication Parts Division or Sales office.

NOTE 7: Add $3.00 each per non-standard or manually programmed frequency or code.

SP ITEMS: All special frequencies outside the normal limits of a given model will be charged at a 20% premium. The Sales Dept. should be consulted prior to placing orders for SP items to assure our ability to conform to your requirement.

SHIPPING INFORMATION AND CREDIT APPLICATIONS

Shipping

Unless otherwise specified, merchandise listed in this catalog and stocked at our warehouse is sold "F.O.B. shipping point". Schaumburg, Ill. is the shipping point for all areas. Drop ship items are F.O.B. point of origin. Shipping charges will be added to your invoice, unless otherwise specified. In some instances shipments will be C.O.D.

Except for emergency shipments routed by air *at your request,* all shipments will be routed in the most economical manner available, that is, via Parcel Post or United Parcel Service up to the maximum weight and size limits, otherwise via motor truck.

C.O.D. and Cash orders

If you have not established credit or do not have an open account with Motorola your order will be sent C.O.D. or on a "cash with order" basis only. On cash orders, please estimate shipping charges (approximately $7.00 for up to 50 lbs. United Parcel Service). Any excess will be promptly refunded.

Credit Applications

A $100 minimum order *is required* to establish credit. A handy credit application form is attached for your convenience.

U.S. POSTAL AND UNITED PARCEL SERVICE SHIPPING AND RATE TABLES

Orders 16 ounces or more are shipped via United Parcel Service, Parcel Post or truck. Orders which weigh less than 16 ounces are shipped via third class mail or United Parcel Service.

United Parcel Service rates and postage on fourth-class matter (Parcel Post) are based on the zones indicated in the accompanying chart.

United Parcel Service shipments are automatically insured up to $100.00 and require proof of delivery allowing shipments to be traced.

SHIPPING INFORMATION AND CREDIT APPLICATIONS

Shipping

Unless otherwise specified, merchandise listed in this catalog and stocked at our warehouse is sold "F.O.B. shipping point". Schaumburg, Ill. is the shipping point for all areas. Drop ship items are F.O.B. point of origin. Shipping charges will be added to your invoice, unless otherwise specified. In some instances shipments will be C.O.D.

Except for emergency shipments routed by air *at your request,* all shipments will be routed in the most economical manner available, that is, via Parcel Post or United Parcel Service up to the maximum weight and size limits, otherwise via motor truck.

C.O.D. and Cash orders

If you have not established credit or do not have an open account with Motorola your order will be sent C.O.D. or on a "cash with order" basis only. On cash orders, please estimate shipping charges (approximately $7.00 for up to 50 lbs. United Parcel Service). Any excess will be promptly refunded.

Credit Applications

A $100 minimum order *is required* to establish credit. A handy credit application form is attached for your convenience.

14. **General.** The License Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. No representation or promise relating to and no amendment of the License Agreement shall be binding unless it is in writing and signed by both parties. The terms and conditions of the License Agreement shall prevail notwithstanding any variance with the terms and conditions of any order submitted by Licensee. Motorola shall not be liable for any failure to perform due to causes beyond its reasonable control. No waiver by a party of any breach of any provision of the License Agreement shall constitute a waiver of any other breach of that or any other provision of the License Agreement. Licensee recognizes that applicable Federal Communications Act and other statues, laws, ordinances, rules and regulations may change from time to time and that accordingly Motorola in its sole discretion has the right without liability to modify the License Agreement to comply with such changes. In the event that any of the provisions contained in the License Agreement are held to be unenforceable, the License Agreement shall be construed without such provisions. No action, regardless of form, arising out of the License Agreement may be brought by Licensee more than one (1) year after the cause of action has arisen.

SOS…Special Order Service

Fast, efficient personalized customer service is always the rule with Motorola. And we're at our best in an emergency with SOS…Special Order Service.

Special Order Service begins with you…ask for it when you need it. When an emergency strikes…a base station or key mobile is "off-the-air"…or your system is down…you need help immediately. During working hours, you can get immediate action by telephoning your designated Motorola Parts office.

After normal working hours and on weekends, phone the Motorola Parts Distribution Center in Schaumburg, Illinois. Specify the nature of your emergency and the parts required. Motorola will take over from there to provide fast personalized service.

After hours SOS phone number…(312) 576-5111
